Blog Article Directions

For this assignment, you are asked to write a blog (due Session 9) on a **current news article**. Please submit your news article via email to pschnall@workhealth.org and erinwigger@aim.com for approval no later than Session 5.

In writing your blog, make sure to identify key issues relevant to material presented in this course, in particular how work organization and psychosocial factors are affecting the health of working people. It would be of particular value if the news story were based upon a recently published scientific article.

Please limit your blog articles to one page.

Examples can be found at: <http://unhealthyworkblog.blogspot.com/>

With your permission we will consider posting high quality submitted blogs on the unhealthyworkblog.blogspot.com site.
